Unit 1: Basic English Grammar (Sample)

Below is a summary table of the fundamental verb tenses covered in this section. This table is designed to test structured data extraction.

Tense	Primary Usage	Example Sentence
Simple Present	Habits, general facts, and routines.	She plays tennis every weekend.
Present Continuous	Actions happening right now or around now.	She is playing tennis at the moment.
Simple Past	Completed actions in the past.	She played tennis yesterday.

In addition to tables, this material includes illustrative graphics to aid visual learning. Below is a test vector image.
